## 20 USEFUL TIPS

FOR BETTER SEX IN 3DX  
AND AT HOME pt.1

# GOSSIP!

**NoirDesire**  
Peacemaker.

**Chloe and Felia**  
Peacemakers too. Also celebrating their 5th year as a couple.

## PEACE FOR OUR TIME

One longrunner conflict in 3DX, the famous “bunker war”, seems to come to an end. Owners of “The Original Bunker” **Chloe and Felia** and owner of “The Authentic Bunker”, **NoirDesire**, have signed peace agreement. Noir offered to rename her venue to “Noirs Bunker” and both sides seem to be happy with this result. We so hope that no other group is going to open “The Real Bunker” now.

## PEACE FOR THE PUSSY

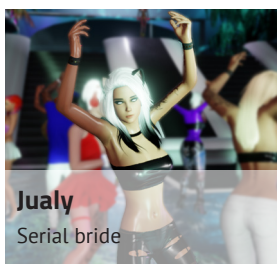

Virtual Sugar announced that, due to retirement of Lucya and Kemistry, they’ve closed their escorting services. Asked for her reasons, Lucya stated: “I want to keep my virginity and innocence!” Well... virginity is a state of mind, not a biological condition. However, with 8000 gifts earned by Lucya and Kemistry, a lot of guys might be very unhappy with this decision.

**HARLYN**  
Day 5 of her protest

## PEACE FOR THE LIPS

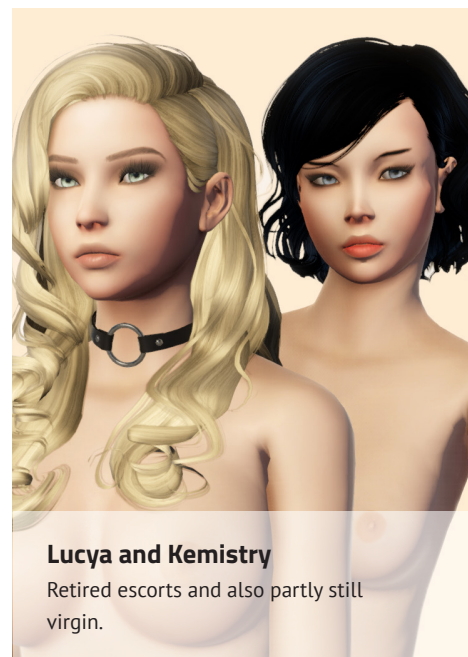

Last 3DX update brought important improvements of the game, first of all the Lovense integration, but it also brought disastrous bug: female avas lost their lipsticks! **Harlyn** therefore has started a protest action: she wears mask until the lipstick works again. We can only support that: **Gizmo, bring the lipstick back!**

**Jualy**  
Serial bride

## PEACE FOR THE PROFILE

We also wanted to congratulate **Jualy**, Boss of Greenpower, on her latest marriage but then we found out that she was already divorced again. Then married again, divorced again, in a relationship, single, married again, divorced again... We lost track! So however: we wish you all the best, Jualy, to whatever relationship state.

**Lucya and Kemistry**  
Retired escorts and also partly still virgin.
